RELATED EXPERIENCE

Matthew J Taylor Institute, Scottsdale, AZ

Founder and Director

2009 – Present

The Institute is a center for training, certification and resources where education and research come together as the DSR Method™. The Institute is where the Matthew J Taylor brands support vigorous research, develop new DSR-related programs, and where eager professionals learn, become certified and spread the DSR Method™ around the world.

Dynamic Systems Rehabilitation Clinic, PLLC, Scottsdale, AZ

Founder and Director

2003 – Present

The Clinic is the home base of the Dynamic Systems Rehabilitation Method where hundreds of people have and continue to move through pain and health challenges to recovery. It is the model clinic and lab where future advancements are tested. The clinic is cash-based plus Medicare and allows therapists an autonomous practice environment.

Taylor Physical Therapy & Fitness, Ltd., Galena, IL

Owner and President

1988 – 2003

Built a full service private practice clinic from a single therapist clinic to a staff of 17 in a town of 3500. Sold the business to the host hospital 2003.

Symposium on Yoga Therapy and Research

Program committee and research committees

2007-2009

Developed the format and coordinated programming for the first three research symposiums with over 500 participants from over 15 different countries in various leadership roles.

Courage Center Study

Co-leader and research methodologist

2008-Present

Provided the research methodology and training for a \$43M/yr full service rehabilitation facility to conduct organizational research to become the first mind~body based center of its kind.
